

## President Message

Ours is the premier Institute in India affiliated to Sardar Patel University, Vallabh Vidyanagar. We are extremely proud to be the part of this Institute and the Trust which works relentlessly only and only to promote the Homeopathy till the grass root level. I hereby, take this opportunity to advise the young generation to take advantage of benefits of Homeopathy as a career to enlighten the smiles on faces of suffering. I hereby appeal to the community to adapt Homeopathy as therapy which is economic, monetarily as well as health-wise.

Dr. Leena Dighe

President

Gujarat Homeopathic Society

## Secretary Message

I have been the witness, the warrior and the commando of the struggle for progress of this Institute which has served community in the last 51 years through Homeopathy Therapy and Education. Institute DHMS course to BHMS followed by M.D.(Homeopathy); the struggle to convince and convert the patients for accepting Homeopathy and take benefits of Homeopathy. Now, this is the era of Homeopathy which is globally accepted as an Economic, Effective and Health promoting system of medicine. So, I invite all youngsters who are going to be homeopaths and desire to be Homeopaths to join hands to promote Homeopathy as first line of Treatment.

Dr. Pankaj C. Dave

Secretary

Gujarat Homeopathic Society

## Principal Message

Welcome to a leading institution in the field of Homoeopathy. Our commitment to excellence in education and healthcare is at the heart of everything we do. We strive to provide a transformative learning experience, combining the time-honoured principles of Homoeopathic medicine with modern scientific advancements.

At our college, we believe in fostering a holistic approach to healing, where students not only gain in-depth knowledge but also develop compassion, ethical values, and a deep respect for the art of medicine. With a team of distinguished faculty, our college committed to nurturing a new generation of medical professionals who are not only skilled and knowledgeable but also deeply empathetic and ethical in their approach to patient care. Our institution stands as a beacon of excellence in medical education, research, and clinical practice.

We aim to inspire and empower the next generation of Homoeopaths to make a positive impact on global healthcare, promoting wellness, preventive care, and individualized treatment. As you step into this noble profession, remember that medicine is not just a career; it is a calling to serve humanity with humility and dedication. I invite you to explore our website, learn more about our programs, and join us in our mission to heal, educate, and serve humanity.

Warm regards,

Dr. Tarun Dave
